General Boat Description

Freedom

2015 Alerion Express 33

There has never been an Alerion 33 on the used market that is in better condition than Freedom. Delivered in the spring of 2016. She has been meticulously maintained by her very particular owner.

Freedom is in excellent condition. She has been in fresh water her entire life and lovingly cared for. She is beautiful and will make her new owner proud. She has less than 150 hours on her Yanmar engine which has been serviced annually.

Here's what Alerion Yachts has to say:

*grab – an hour, an evening or a weekend. Set sail if you wish and enjoy whatever time you can
"Alerion Sailing is sailing at its best. Single hand in a heartbeat with the push of a button. Your
Alerion 33 lies in a sunset breeze yet remains easy when the wind pipes up.*

*The Alerion Express 33's fully roached main,
carbon fiber mast and self-tacking jib boom make her an elegant performer on all points of sail, while
electric winches allow easy adjustment to all wind conditions."*

*Beneath her traditional sheer and topsides is a thoroughly modern underbody and her incredible
cockpit includes seats long enough for a nap or for a bunch of friends. Creature comforts are
abundant down below where woodwork, detail and finish are proof that this is a proper yacht."*

Freedom is a must see if you're looking for a turnkey yacht.
