Fuel Tanks: 2300Gallons

General Boat Description

Price reduced again to \$129,000! This is a heck of a lot of bang for the buck!

Twin Lehman Super 355\'s run strong! Engines recently serviced!

Ready to go cruising! Lots of summer left!

Very roomy, open concept, pilothouse sedan. Three staterooms and two heads. New LVP flooring throughout. New Radar/Chart Plotter/AIS/Autopilot and VHF radio. Vessel has a nice, roomy salon with L-shaped dinette and high-low table, two recliners and breakfast bar. There is a large galley and separate bar for entertaining. Open concept between salon and pilothouse blends the two spaces for enjoyable cruising. Master suite is forward for privacy and boasts a walk around queen berth, ample lockers and drawers, large en-suite head with shower and lots of light. A bunk room to starboard and another queen cabin to port share the second head. The flying bridge has nice seating for everyone, new swivel helm seats, an 11\' RIB inflatable tender with 25 HP Evinrude outboard, and a bimini to keep the sun off. This vessel checks a lot of boxes for cruising or liveaboard. Priced to sell. This is a ton of boat for the money! Lying Gig Harbor. Unfortunately, the Gig Harbor slip is not transferrable. We do have a list of south sound marinas we will share upon request.
