General Boat Description

Excellent Condition!

New Bottom Paint! New Wax! New Sails!

The Ericson 38-200 "Wave Walker" is a great all around cruiser that is easily handled by one or two people. Fast, safe and comfortable, she is well set up for a couple, two couples in two private staterooms, or a family. Her beautiful, varnished, all teak interior can sleep up to seven. The sail plan includes a roller furling genoa and fully battened mainsail with Tides Marine Strong Track with lazy jacks for ease of sail handling. All lines are led aft to self tailing winches in the cockpit. Both main(w/2 reefs) and 125% genoa were new in 2024. All electronics were replaced in 2019 with Raymarine HybridTouch with two repeaters to include plotter, radar, AIS, GPS, depth, wind, and autopilot. A new Standard Horizon VHF with RAM mic was installed at that time.

The boat comes complete with a Webasto Furnace, a dinghy and outboard, and a barbeque.

She has a fresh bottom job, new topsides wax, newly serviced MaxProp, new zincs and recent engine service. The fuel tank is full. Her owners have purchased a new boat, so they have priced this one to sell!

All she needs is YOU!!
