Engine Type: Inboard

Engine/Fuel Type: diesel

Engine Hours: 2900

Engine Power: 47|horsepower

Tanks

Fresh Water Tanks: 345Gallons

Fuel Tanks: 129Gallons

General Boat Description

"Stout Heart" a J-42 built for those with the desire to drop lines and set sail. This particular J-42 is the ultimate sailors package! With the combination of standard draft fin keel, carbon fiber rig and current sail inventory you will easily achieve performance few manufactures can offer in this size range. From the moment you step aboard you get the feeling "Stout Heart" is put together with an eye towards reliability, minimal complication and comfortable swift short handed sailing. With features like a Monitor wind vane, New Victron Energy management system, recent updates to electronics suite, hard dodger, added water capacity, huge sail inventory and recent rig reconditioning this boat should rise to the top of your list!! Give us a call with questions or to schedule a visit.
