Engine Power: 38horsepower

Tanks

Fresh Water Tanks: 175Gallons

Fuel Tanks: 127Gallons

General Boat Description

Lummi

1996 J/120

"Lummi" has got to be the best cruising J/120 available anywhere. She shows like a new boat. She shines inside and out. The photos don't lie she is really that nice.

Her owner has made a number of recent improvements from a new main and jib sail (2024), 3 blade MAX Prop, B&G Zeus 3S 9" GPS (2024), Garmin AIS (2024), Engine service with new hoses, exhaust elbow and control cables to name a few.

When introduced the J/120 was the Cruising World and Sailing World "Boat of the Year." CRUISING WORLD magazine's OVERALL BOAT OF THE YEAR and the BEST VALUE in a full-sized cruising boat. The only time Cruising World chose a Racer Cruiser for this distinction.
