Engine Type: Inboard

Engine/Fuel Type: diesel

Engine Hours: 190

Engine Power: 650|horsepower

Tanks

Fresh Water Tanks: 190Gallons

Fuel Tanks: 1600Gallons

General Boat Description

Luxury Aluminum Sport Fishing Yacht

Built for tough coastal waters of Alaska and the Pacific Northwest, this exceptional aluminum sport fishing yacht combines commercial grade durability and rugged strength of an all-welded hull with the comfort and amenities of a luxury cruising yacht.

Powered by **Twin Volvo Penta D6-IPS650 engines-** she delivers impressive performance with cruising speeds up to 30 knots.

The efficient propulsion system and extended range can take you to remote fishing grounds and cruising destinations out of reach by other yachts in her class.

The spacious cockpit is purpose-built for fishing and crabbing with its dedicated cockpit controls and joystick integration for ease of maneuverability.

The Burnewin receiver mounts aid in fast rod-holder adjustments and in-deck insulated fish boxes and tackle lockers keep your gear organized and your catch cold.

Recent Maintenance 2026 to include:

Bottom sanded and antifouling paint by Seahawk applied

Pods serviced and props tuned and all coated with Propspeed
