General Boat Description

Based on a Lapworth designed 44' hull, "Gitana" was built by Bud Taplin, World Cruiser Yacht Company, in Costa Mesa California. She has had many adventures over the last 20 years. Her owner, Michael Johnson, received his second Barton Cup award in 2015 after his successful two-year transit of the Northwest Passage. After years of world cruising, she had a major refit with over \$200K invested and she is ready to go again. Please call for more information on "Gitana" and the stories of her travels. "Gitana's" price has been reduced to \$79,500,

A buyer that will care for her and keep her sailing are more important to the seller than the selling price.
